AGENT KAMMER

How the process works

The same six steps we show on the site.

Get Qualified is how you arrive at a live session.

01

Situation clarified

02

Strategy Session held

03

Financing posture set

04

Target band chosen

05

Shortlist ready

06

Search in motion

You may already be mid-path. We book a live session when the question is ready for an hour.
